Introduction

Through this Annual Report on the *Access to Information Act*, the <u>College of Patent Agents and Trademark Agents (CPATA)</u> presents to Parliament a summary of its activities in accordance with section 94 of the *Access to Information Act* (the ATIA). CPATA is one of only a few independent regulatory bodies subject to federal legislation such as the *Access to Information Act*.

As a modern, risk-based professional regulator, CPATA values institutional transparency and accountability as a key ingredient of its public interest mandate. This philosophy is perfectly aligned with the purpose of the *Access to Information Act*, which gives Canadian citizens and permanent residents a broad right of access to information contained in government records, subject to certain specific and limited exceptions.

This report describes the activities taken by CPATA to support compliance with the ATIA during CPATA's third year of existence, from March 31, 2023 to March 31, 2024.

Institutional Mandate

The Government of Canada enacted the <u>College of Patent and Trademark Agents</u> (<u>CPATA</u>) <u>Act</u> in 2018, as part of its National Innovation Strategy to position the country as a world leader in innovation.

As an independent regulator, CPATA protects the public interest by strengthening the competencies of patent agents and trademark agents, and building confidence in accessible, ethical and expert intellectual property services in Canada. Our commitment to supporting the rigour and sophistication of the profession plays an important part in driving innovation and stimulating Canada's economic growth.

The College is responsible for protecting the public interest by:

 Setting competence standards for the profession and administering entry requirements that address those standards;

- Implementing the Code of Professional Conduct established by the Minister of Innovation, Science and Industry;
- Administering a fair and open process to respond to concerns about the competence or conduct of agents;
- Establishing expectations for liability insurance, continuing professional development, and pro bono requirements; and,
- Promoting innovation in the delivery of patent and trademark services.

CPATA has adopted the following regulatory objectives:

- 1. Protect and promote the public interest in patent and trademark services;
- 2. Protect those who use patent and trademark services;
- 3. Promote innovation in the delivery of patent and trademark services and the protection of intellectual property rights;
- 4. Improve access to, and promote competition in the provision of, patent and trademark services;
- 5. Promote the independence of the patent and trademark profession;
- Oversee the ethical and competent delivery of patent and trademark services by licensees; and,
- 7. Promote equity, diversity and inclusion in the patent and trademark profession and in the delivery of patent and trademark services.

Organizational Structure

CPATA is a small organization that is still in development. CPATA has a Board of Directors, five committees, and a small staff.

CPATA's Board of Directors consists of five appointed and four elected Directors.

Appointed Directors are non-licensees who are appointed by the Honourable François-Philippe Champagne, Minister of Innovation, Science and Industry. Elected Directors are licensees who are elected from the profession to contribute IP subject-matter expertise to the public interest mandate of CPATA's Board of Directors.

Most of CPATA's daily operational work is done by the CEO/Registrar and five staff, who handle interactions with licensees, trainees, and members of the public.

All the ATIA work is conducted by one Privacy and Access Officer, with some support from the rest of the CPATA staff.

Delegation Order

The Delegation Order dated February 17th 2023 (the "2023 Delegation Order") designates the Access to Information and Privacy Officer to exercise certain powers and perform certain duties and functions of the CEO under the Act and is attached hereto and forms part of this annual report (see Annex A).

Performance 2023-2024

CPATA received no requests during the fiscal year. No data on consultations were completed for other institutions.

Training and Awareness

Through its training activities, CPATA continues to work towards enhancing the institution-wide culture of respect for the ATIA.

CPATA's privacy and access awareness training for Board and Committee members includes an introduction to the ATIA, including the importance of strong information and records management practices to meet the organization's obligations under the ATIA.

Policies, Guidelines, Procedures, and Initiatives

As a professional regulator, CPATA operates in a culture of institutional transparency and accountability, all the while safeguarding the confidentiality and personal data of licensees and members of the public. The following initiatives are in place to proactively provide public access to information regarding the College's decisions and functioning:

 All of CPATA's policies are available for public consultation on the College's website

- Registration and Discipline committee decisions are published on the College's website and monthly newsletter
- Discipline proceedings are livestreamed on YouTube
- The College publishes its Annual Report, Financial Statements and Operational Reports on its website
- CPATA engages with licensees and the profession regarding its major initiatives in accordance with its consultation framework
- CPATA explains the rationale behind policies and key decisions so that licensees and the public understand the reasoning behind them
- The College is committed to service standards that provide information to the public in a timely manner and key staff are reachable for questions

Proactive Publication under Part 2 of the ATIA

The Privacy and Access to Information Officer works in collaboration with the Chief Financial Officer and the Chief Executive Officer to fulfill the proactive publication legislative requirements found in the *Access to Information Act.* Sections 82 to 84 stipulate that government institutions, as defined in section 3 of the *Access to Information Act,* are required to publish proactively travel expenses, hospitality expenses and reports tabled in Parliament.

In the 2023-2024 fiscal year, CPATA met the travel and hospitality expense requirements at a compliance rate of eighty-three percent (83%), and the reports tabled in Parliament requirement at a compliance rate of one hundred percent (100%).

Table 1 lists the sections of the ATIA that CPATA is responsible for.

Conclusion

CPATA is aligned with the purposes of the *Access to Information Act*. It is committed to transparency, accountability, and the broad right of access to information with respect to its records, subject to limited statutory exceptions, and has undertaken significant efforts to comply with ATIA requirements from the outset of its creation. As one of very few professional regulators subject to the ATIA, CPATA welcomes advice regarding how to effectively meet its obligations under the ATIA.

In the coming years, the College will continue to dedicate resources and time to building the operational infrastructure necessary to promote public access to information, in accordance with its regulatory objectives, standards and principles, as well as its institutional values of transparency and accountability.
