

2024 Trademark Agent Skills Examination Report

The 2024 Trademark Agent Skills Examination (component A and component B) was administered to 46 candidates over two days on September 18 and 19, 2024.

Component A assessed the skills areas of registrability and strategy. Component B assessed the skills areas of prosecution, and opposition and section 45 proceedings. Components A and B were scored together to determine the final result.

The pass rate was 48% (22/46 candidates demonstrated competency).
